HANDCRAFTED MAHOGANY PADDLE BOARD

The “Tiger with Diagonals” is a beautiful, hand-crafted African Mahogany paddle board, with veneer work by Tom Trunk, the top veneer artist in North America.

He’s incorporated Zebrawood, black-dyed Castello, Fumed Eucalyptus and Maple to create this one of a kind board.

The hollow wood construction makes this board light, and maneuverable, allowing it to fly and track unbelievably in flat water!

THE GRINDSTONE LAKES EXPERIENCE FOR FOUR

In the heart of Oregon's High Desert lies a premier private fly fishing destination of five pristine private lakes, known as the Grindstone Lakes. Each lake ranges from 20-70 acres and provides a range of aquatic terrain allowing for the best fly fishing around.

The deep areas are perfect for a pontoon boat to reach those big trout that are hiding in the cooler waters. The shallower weed beds play host to explosive dry fly fishing, and the banks are perfect for spot and stalk fishing.

The hatches include midges, damselfly, callibaetis, caddis, leaches, scuds, snails, water boatman, dragonflies; you name it, Grindstone Lakes has it.

You can catch beautiful rainbows from 1 ½ pounds to over 10lbs. Most average 3-6lbs. An experienced angler could easily catch and release fish that number in the double digit range, but no one is counting.

The fishing is world class and the lodging is supreme. The lodge is a 3,000 sq. foot historic building. Its three stories sleep up to 18 guests and are perfect for anglers and non-anglers alike.

Included in your trip:

- Three professionally guided days of fishing on the Lakes
- Two nights lodging in the lodge
- Delicious meals cooked just for you, plus drinks and snacks

Four will go on this experience of a lifetime - will you?

TUSCAN DREAM VACATION

Ahhh, Tuscany! Here is your chance to experience the best of Italy like a local.

At a stone's throw from Florence, Podere Nizzano occupies the larger wing of a spacious and very comfortable country home within a substantial garden. The residence has just been renovated and redecorated in a very tasteful 'classic contemporary' style, with an emphasis on quality and light. On the ground level, the living areas – including a long and very bright living room and a lovely traditional kitchen - open to terraces and to a private garden studded with olive trees. The three air-conditioned bedrooms, with their high, beamed ceilings, enjoy views of vineyards and Tuscany's famous rolling hills from the first floor. At the edge of the garden, a swimming pool is set on a lawned terrace with a loggia for shade.

This location, just to the south of Florence, provides the perfect balance between city and country, and is an ideal base for touring the whole of Tuscany, including the neighboring Chianti wine region.

Six will fit comfortably in this beautiful and well-appointed home. Other amenities include satellite TV with DVD player, CD player with Dolby Surround Sound, dishwasher, washing machine and fireplace.

Chris Wick will act as your official Italy Consultant, meeting with you before your trip to offer an insider's view on the area, tips and more.
