## Red Red Wine You Make Me Feel So Fine

Neil Diamond originally said it best...“red red wine you make me feel so fine” and all these years later, we couldn’t agree more!

These **two, 1.5 liter bottles of Zinfandel and Cabernet Sauvignon** will make for a big evening of fun or two awesome, vinous events. **Added to the mix: the Distant Cellars wines, which come in their original wooden box.** What a beautiful-looking wine arrangement you’ll take home with this package.

The **Del Carlo** family has grape growing roots in Healdsburg that go back almost 80 years and the Zinfandel they grow is sold to many other producers of award-winning wines.

**Martin Ranch Winery**, located in the Santa Cruz Mountains AVA, has the motto, “tradition, passion, excellence” which can be tasted with every sip of their estate wines, including this Cabernet Sauvignon.

Another family-owned winery, **Distant Cellars**, takes pride in having fun, all-the-while producing wines to be enjoyed. Saluté!

## LINUS, Mixte 3, Red Women's Bike with Navy Accessories, 3 Speed International

---

A 60'S FRENCH CLASSIC... a simple, affordable, elegant bike for riding around and doing stuff. **This sporty ride is a timeless classic with its signature diagonal line.** The Mixte frame first appeared at the dawn of women's lib, when stylish French women were racing alongside the men and arguing ideas with the same conviction.

Inspired by French bicycle design of the 50s and 60s LINUS has created a bicycle that **preserves the simple elegance and pure form of that golden era, but has all the benefits of modern comfort and reliability.** LINUS is the utilitarian city bike... simple and reliable, but with a personality and style that makes you feel like you're in an old French movie... you're floating a little from the wine you drank at lunch... maybe instead of going back to the office you'll take a nap under a tree, go for a swim in the sea.

In our everyday life we take numerous little journeys, under 5 miles, to the store, the cafe, to work, etc. Besides the obvious joy of riding a bicycle, these small bicycle trips reduce carbon emissions, congestion, noise pollution, and make for a happier, more connected city experience. **Bike comes complete with racks and shopping bags.**

To fill your wine holder: **Ross Andrew, Syrah, Boushey Vineyard, 2010**
